TERMS OF COVERAGE

1. Service Request: If a Covered Item fails during the Contract Term, the Contract Holder must place a service request online at www.dwellness.house, or by email at info@dwellness.house, or by calling 1-702-641-8888 (Las Vegas) or 1-480-428-8800 (Phoenix). Upon receipt of a service request, NATIONAL HOME WARRANTY, INC. ("Dwellness") will call the Contract Holder to schedule a mutually convenient appointment during normal business hours. Alternatively, upon receipt of a service request, DWELLNESS may contact an independent service contractor (Contractor) within 3 hours during normal business hours (within 48 hours on weekends and holidays). In such later event, the assigned Contractor will call the Contract Holder directly to schedule a mutually convenient appointment during normal business hours. DWELLNESS will determine whether the service request constitutes an emergency, and DWELLNESS will make reasonable efforts to expedite emergency service. Nevada Contract Holders: "Emergency" as defined by Nevada Revised Statutes includes but is not limited to the loss of heating or cooling, loss of plumbing, or substantial loss of electrical service by the Contract Holder, and the emergency renders a dwelling unfit for a person to live because of defects that imminently endanger the health and safety of the occupants of the dwelling. Emergency service work will be started no later than 24 hours after the report of the claim and be completed as soon as reasonably practicable thereafter. If DWELLNESS determines that repairs cannot practically be completed within 3 calendar days after the report of the claim, then DWELLNESS will provide a status report to the Contract Holder, by verifiable means, and in the case of Nevada Contract Holders, to the Nevada Commissioner of Insurance by electronic means, no later than three (3) calendar days after the report of the claim. The report will include a list of the required repairs or services, the primary reasons for the delay including the status of any parts required for the repair or service, the current estimated time to complete the repairs or service and contact information for the Holder to make inquiry. Nevada Contract Holders: If the Holder is not satisfied with the way DWELLNESS is handling the claim, the Holder may contact the Nevada Commissioner of Insurance by calling, toll free: 888-872-3234.

2. Contractor Selected by Contract Holder: Should DWELLNESS grant the Contract Holder permission to contact a Contractor of Contract Holder's own selection directly to perform a Covered Service, DWELLNESS will reimburse the Contract Holder in the amount of DWELLNESSES' actual cost to repair or replace the system or appliance only if the Contractor is qualified, licensed, insured, and provides a receipt for the cost to repair that is delivered to DWELLNESS prior to reimbursement. Once the Contractor arrives at the property and prior to the Contractor performing any repairs for which the Contract Holder may seek reimbursement, the Contract Holder must contact DWELLNESS by calling 1-702-641-8888 (Las Vegas) or 1-480-428-8800 (Phoenix) to confirm that service or repair is a Covered Service under the Contract.

3. Service Trade Call Fee: The Contract Holder is required to pay \$85 as a service trade call fee ("Service Trade Call Fee") for each trade service request submitted to DWELLNESS. For example, if a Contract Holder needs both a plumber and an appliance technician, a separate Service Trade Call Fee is due and payable for each. Limit of three items, served by the same trade, may be repaired during the same day for a single Service Trade Call Fee. The fee is due at the time the Contract Holder requests service and the fee is due regardless of whether: the requested service is covered or denied; the diagnosis results in a complete or partial exclusion of coverage; the Contractor is en route to the home and the Contract Holder cancels the appointment; Contract Holder fails to provide the necessary access to perform the service request, including not being home at the time of the prearranged appointment. Failure to pay a Service Trade Call Fee will result in suspension of coverage until such time as the fee is paid. Upon receipt of that payment, coverage will be reinstated for the remainder of the Contract Term. If the Service Trade Call Fee is not paid and is sent to collections, any fees to collect payment will be charged to the Contract Holder.

4. Warranty on Service Work: Service work is warranted (without an additional Service Trade Call Fee) for 30 days on labor and 90 days on parts. The 30/90-day warranty applies only to malfunctions that are reported to DWELLNESS during the Term of the Contract.

5. Commencement of Homeowner's Coverage: If the Contract was purchased incident to the purchase of a property, and if the fee for the Contract was paid through escrow, Homeowner's coverage starts at the Close of Escrow and continues for a period of one year. If the contract fee has not been received by DWELLNESS, requests for service will be dispatched once payment of the contract fee is verified by the closing agency or another source of contract payment is made (i.e., credit card). All calls for service must be made prior to the expiration of the Contract. **FOR HOMES NOT GOING THROUGH A STANDARD REAL ESTATE TRANSACTION, CONTRACT COVERAGE BEGINS 30 DAYS FOLLOWING RECEIPT OF PAYMENT BY DWELLNESS. IN ALL CASES, ANY REQUESTED COVERAGE OPTIONS MUST BE ADDED AT THE TIME OF PURCHASE.**

6. New Construction Coverage: Coverage, including any optional coverage begins on the first anniversary of the Close of Escrow and continues for four years from that date, provided the plan fee is received by DWELLNESS within 10 working days from the Close of Escrow. All systems and appliances to be covered must be in good working condition at the time coverage begins on the first anniversary after the Close of Escrow. Anytime during the first year of ownership, the Contract Holder may call DWELLNESS for assistance in the event a problem arises with a system or appliance generally described in the Contract. DWELLNESS will assist the Contract Holder in contacting the manufacturer or contact the manufacturer on the Contract Holder's behalf to determine the remedies available to the Contract Holder under the manufacturer's warranty for the system or appliance associated with the Contract Holder's request.

7. Homeowner Coverage: This Contract covers single-family dwellings, townhouses, and condominiums under 5,000 square feet. If this Contract is for a single-family dwelling located in a multi-unit building, then only systems and appliances contained within the confines of the covered dwelling are covered. Common systems and common appliances located in the multiple unit building and serving multiple units are not covered unless each unit within the building has purchased coverage (see paragraph 8, below). Guest houses, casitas or similar structures require a separate contract. Covered dwellings cannot be used for commercial purposes, for example, as day care centers, nursing care homes, fraternity/sorority houses, etc.

8. Duplex, Triplex, and Fourplex Dwellings: If this Contract is for a duplex, triplex, or fourplex dwelling, then every unit within such dwelling must be covered by a DWELLNESS contract for coverage to apply to common systems. Should any unit within such duplex, triplex or fourplex dwelling not be covered by a DWELLNESS contract, then there is no coverage for common systems and common appliances. A Service Trade Call Fee shall be assessed for every unit provided service.

9. Limitation to Covered Items: This Contract covers only those parts, components, systems, and appliances specifically mentioned as covered and excludes all others. Exclusions from coverage vary with the coverage option selected. Specific exclusions from coverage are listed in the descriptions of the coverage options beginning on page 8. We recommend that you review your Contract completely. Covered systems and/or appliances must be located within the main foundation of the home or garage except for exterior well pump, air conditioner/evaporative cooler, pressure regulator, waste/stop valves, water heaters, pool/spa equipment, sewage ejector pump and outdoor septic tank system equipment. All coverage is subject to the limitations and conditions mentioned in this Contract.

10. Optional Seller's Coverage: If desired, Seller's optional coverage must be ordered in conjunction with a Homeowner's Plan. Seller's Coverage begins upon issuance of a confirmation number by DWELLNESS and continues for 180 days, the Close of Escrow, or termination of a listing, whichever comes first ("Seller's Coverage period"). Seller's Coverage may be extended at DWELLNESSES' sole discretion. Normally, Seller's Coverage is for a period of up to 180 days prior to the Close of Escrow. Seller's Coverage is not available on homes more than 5,000 square feet, for sale by owner properties, New Construction Coverage, multi-unit homes, guest houses, casitas, or any of the Homeowner's Coverage Options. The combined Contract aggregate limits for the access, diagnosis, repair, and replacement of the following items during the Seller's Coverage period apply; heating and/or air conditioning system/evaporative cooler and ductwork = \$1,500 maximum; furnace failures due to a cracked heat exchanger or combustion chamber = \$500 maximum. All other limits and aggregates apply.

11. Condition of System or Appliance Upon Commencement of Coverage: Covered Systems or Appliances must be in good, safe working order at the start of the Contract, or they are not covered under your home warranty Contract. Unknown pre-existing conditions will be covered if, at the time the coverage began, the defect or malfunction would not have been known to the Buyer (new Homeowner), Seller, agent, or home inspector by a visual inspection and by operating the system or appliance. A visual inspection of the covered item verifies that it appears structurally intact and without damage or missing parts that would indicate inoperability. Operating the Covered Item is defined as turning the item on and off to ensure that it is operational. While turned on, the item operates without causing damage, irregular sounds, smoke, or other abnormal outcomes. **NOTE FOR ARIZONA CUSTOMERS: NOTWITHSTANDING THE FOREGOING, IN ACCORDANCE WITH ARS §20-1095.06 (D)(12), CONDITIONS WHICH WERE KNOWN OR SHOULD REASONABLY HAVE BEEN KNOWN BY DWELLNESS OR THE PERSON SELLING THE CONTRACT ON BEHALF OF DWELLNESS WILL BE COVERED.**

12. Malfunction due to Insufficient Maintenance, Rust Corrosion, Sediment, Calcium: DWELLNESS will not repair or replace Covered Systems or Appliances which mechanically malfunction due to insufficient maintenance, rust, corrosion, sediment, or calcium unless otherwise noted in this Contract.

13. Arizona Contract Holders: This Contract may be cancelled by the Contract Holder at any time. DWELLNESS may cancel this Contract for the following reasons: (a) non-payment of Contract fees; (b) fraud or misrepresentation of facts material to the issuance of this Contract; (c) when Contract is for Seller's Coverage and Close of Escrow does not occur, or (d) mutual agreement between Contract Holder and DWELLNESS. If Contract is cancelled, the Contract Holder shall be entitled to a prorated refund of the paid Contract fee for the unexpired term, less any unpaid Service Trade Call Fees, less any amounts paid to Contractors, and an administrative fee equal to an amount not exceeding the lesser of 10% of the gross amount paid for the Contract or \$50.

14. Nevada Contract Holders: This Contract may be cancelled by DWELLNESS before it expires for the following reasons: (a) non-payment of Contract or Service Trade Call Fees by Contract Holder; (b) conviction of the Contract Holder of a crime which results in an increase in the service under the Contract; (c) fraud or material misrepresentation by Contract Holder in obtaining the Contract or in presenting a claim; (d) discovery of an act or omission by the Contract Holder; or a violation by the Contract Holder of any condition of the service Contract which occurred after the effective date of the Contract and which substantially and materially increases the service under the Contract; or (e) a material change in the nature or extent of the required service or repair which occurs after the effective date of the service Contract and which causes the required service or repair to be substantially and materially increased beyond that contemplated at the time that the service Contract was issued or sold. If the Contract is cancelled by DWELLNESS, the Contract Holder shall be entitled to a prorated refund of the paid contract fee for the unexpired term. The cancellation of the service Contract will become effective 15 days after the notice of cancellation is mailed to the Contract Holder. If the Contract is cancelled by the original purchasing Contract Holder in a written request, the Contract Holder shall be entitled to a prorated refund of the unearned paid Contract fee for the unexpired term, less (1) any unpaid Service Trade Call Fees, (2) benefits paid during the current contract year, and (3) a cancellation fee of \$25. In such case, the Contract is void and DWELLNESS shall refund the purchase price of the Contract to the original Contract Holder if Holder has not made a claim under the Contract and the Holder returns the Contract to the provider (a) within 20 days after the date DWELLNESS mails the Contract to the Contract Holder; or (b) within 10 days after the purchaser receives a copy of the Contract if DWELLNESS furnished the Contract Holder with a copy of the Contract at the time of the purchase. The refund of the purchase price will be refunded within the 45 days after the Contract is returned or DWELLNESS will pay the Contract Holder a penalty of 10% of the purchase price for each 30-day period or portion thereof that the refund remains unpaid.

15. Renewal of Term. If a monthly payment Contract has been selected and if DWELLNESS elects to renew the Contract, DWELLNESS will notify Contract Holder approximately 45 days prior to expiration of coverage. The Contract will renew automatically for an additional one-year coverage term unless Contract Holder notifies DWELLNESS in writing prior to expiration.

LIMITS OF LIABILITY

1. DWELLNESSES' liability is limited to failures of Covered Systems or Appliances due to normal wear and tear during the term of the Contract.

2. DWELLNESS reserves the right to obtain a second opinion at its own expense. The Contract Holder may order a second opinion, but the Contract Holder shall be responsible for the cost of that second opinion.

3. DWELLNESS will determine whether a covered item will be repaired or replaced. Except as otherwise noted in this Contract, replacements will be of similar features, capacity, and efficiency as the item being replaced. DWELLNESS is not responsible for matching dimensions, brand, or color except for appliances with stainless steel or a similar material finish which will be replaced by DWELLNESS with the same finish, limited to applicable contract aggregates. When parts are necessary for completion of service, DWELLNESS will not be responsible for delays that may occur in obtaining those parts. DWELLNESS reserves the right to repair systems and appliances with non-original manufacturer's parts, including rebuilt or refurbished parts. This Contract provides coverage for such items once the limits for any other contract, warranty, or insurance policy covering the items are reached. Furthermore, this Contract covers components of the systems and appliances which are specifically identified as covered in this Contract and which are not covered by any other contract, warranty, or insurance policy. Unless otherwise noted in the Contract, DWELLNESS is not responsible nor liable for the disposal cost(s) of appliances, systems, equipment, or components of equipment including refrigerant, contaminants, or other hazardous or toxic materials.

4. When federal, state, or local regulations, building or similar code criteria require improvements or additional costs to service a Covered System or Appliance, including permits, the costs to meet the proper code criteria, including the cost of permits, shall be the sole responsibility of the Contract Holder, unless otherwise noted in this Contract. DWELLNESS will be responsible for repairs or replacement of Covered Systems or Appliances after the proper code criteria are met, except where otherwise noted in this Contract. When upgrading Covered Systems, parts, or components to maintain compatibility with equipment manufactured to be compliant with federally mandated energy efficiency requirements, DWELLNESS is not responsible nor liable for the cost of construction, carpentry, or other structural modifications made necessary by installing different equipment.

5. DWELLNESS is not responsible for repair or replacements due to misuse or abuse, disassembled or missing parts nor for failures or damage caused due to: fire, flood, drought, smoke, lightning, freeze, earthquake, explosion, theft, storms, accidents, riots, war, hostilities, acts of terrorism, vandalism, strikes or work slowdowns, animal or pest damage, power failure, surge or overload, soil movement, structural damages, design deficiency, manufacturer's recall, inadequate capacity, land subsidence, slope failure, or cosmetic defects. Except where otherwise noted in this Contract, failures due to improper previous repair or installation of appliances, systems or components is not covered. DWELLNESS will not perform routine maintenance or cleaning. The Contract Holder is responsible for providing routine maintenance and cleaning of covered items to ensure continued coverage of such items. For example, heating and air conditioning systems require periodic cleaning and/or replacement of filters, and water heaters require periodic flushing.

6. DWELLNESS is not responsible for consequential or secondary damages resulting from the failure of a Covered System or Appliance or the failure to provide timely service due to conditions beyond DWELLNESSES' control, including but not limited to delays in securing parts, equipment, or labor difficulties. DWELLNESS is not responsible for food spoilage, loss of income, utility bills, living expenses, personal or property damage.

7. DWELLNESS is not responsible for providing access to repair or replace a Covered System or Appliance unless otherwise noted in this Contract. When access is provided under this Contract, restoration to walls,

closets, floors, ceilings, or the like, will be to a rough finish only. DWELLNESS is not responsible for the cost of modifications necessary to repair or replace a Covered System or Appliance, including but not limited to pipe runs, flues, ductwork, structures, electrical, or other modifications. DWELLNESS does not cover systems, appliances or equipment designed for commercial use.

8. DWELLNESS is not responsible for electronic systems, computerized systems, or remote energy management systems including, but not limited to zone-controlled systems, lighting, energy, security, pool/spa, entertainment/media/audio, or appliances. Solar systems and components are not covered.

9. Common systems and appliances are not covered except in the case of a duplex, triplex, or fourplex dwelling, and unless every unit is covered by DWELLNESS. If this Contract is for a dwelling of 5 units or more, only the items contained within each individual unit are covered. Common systems and appliances are excluded.

10. DWELLNESS reserves the right to provide cash in lieu of repair or replacement of a Covered System or Appliance in the amount of DWELLNESSES' actual cost to repair or replace such a system or an appliance, less any service costs previously incurred by DWELLNESS. The amount provided as cash in lieu is generally less than retail replacement cost. DWELLNESS is not responsible for the cost to repair or replace the Covered System or Appliance once Contract Holder accepts cash in lieu of service.

11. If the covered property changes ownership prior to the expiration of the Contract, the Contract Holder may call 1-702-641-8888 (Las Vegas) or 1-480-428-8800 (Phoenix) to transfer coverage to the new owner for the remainder of the current Contract Term. This Contract is transferrable. There is no fee for transfer. This Contract may be renewed or assigned at the sole discretion of DWELLNESS, subject to applicable rates and terms.

12. Coverage on lease-options is available for the lessor only. The Contract fee is due and payable to DWELLNESS upon execution of the lease and continues for one full year.

13. DWELLNESS is not responsible under any circumstances for the diagnosis, repair, removal, or remediation of mold, mildew, rot, or fungus, or damages resulting from the same, even when caused by, or related to the malfunction, repair, or replacement of a Covered System or Appliance.

14. DWELLNESS is not responsible for repairs related to lack of capacity or inadequacy in volume, size, or input/output performances determined by the manufacturer or industry standards.

15. This Contract is backed by the full faith and credit of National Home Warranty, Inc. (DWELLNESS).

RESOLUTION OF DISPUTES

MANDATORY ARBITRATION. This provision constitutes an agreement to arbitrate disputes on an individual basis. However, notwithstanding this agreement to arbitrate, either party may bring an individual action in small claims court instead of pursuing arbitration, so long as the action is with the jurisdiction of the small claims court. **NOTE TO ARIZONA CONTRACT HOLDERS:** This arbitration provision does not prohibit an Arizona resident from following the process to resolve complaints under the provisions of A.R.S. §§20-1095.09 and 20-461 Unfair Trade Practices as outlined by the Arizona Department of Insurance and Financial Institutions.

Any claim, dispute or controversy, regarding any contract, tort statute, or otherwise ("Claim"), arising out of or relating to this Contract, any service provided pursuant to this Contract, its issuance, a breach of any of its provisions, any controversy or claim arising out of the transaction giving rise to this Contract, or the relationships between the parties hereto shall be resolved by a single arbitrator through binding arbitration administered by the American Arbitration Association ("AAA"), under the AAA Commercial or Consumer, as applicable, Rules in effect at the time the Claim is filed ("AAA Rules"). Copies of AAA Rules and forms can be located at www.adr.org

The arbitration will take place in the same county in which the property covered by the Contract is located. The arbitrator's decision shall be final, binding, and non-appealable. Judgment upon the award may be entered and enforced in any court having jurisdiction. This clause is made pursuant to a transaction involving interstate commerce and shall be governed by the Federal Arbitration Act. **BY ENTERING INTO THIS CONTRACT, THE PARTIES ACKNOWLEDGE THAT THEY ARE GIVING UP THE RIGHT TO A JURY TRIAL, AND THE RIGHT TO PARTICIPATE IN ANY CLASS ACTION, PRIVATE ATTORNEY GENERAL ACTION, OR OTHER REPRESENTATIVE OR CONSOLIDATED ACTION, INCLUDING ANY CLASS ARBITRATION OR CONSOLIDATED ARBITRATION PROCEEDING.** Neither party shall sue the other party other than as provided herein or for enforcement of this clause or of the arbitrator's award. The arbitrator, and not any federal, state, or local court, shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, unconscionability, arbitrability, enforceability, or formation of this Contract including any claim that all or any part of the Contract is void or voidable. However, the preceding sentence shall not apply to the clause entitled "Class Action Waiver." This arbitration agreement will survive the termination of this Contract. **As noted above, a party may elect to bring an individual action in small claims court instead of arbitration, so long as the dispute falls within the jurisdictional requirements of small claims court.**

CLASS ACTION WAIVER.

Any Claim must be brought in the parties' individual capacity, and not as a plaintiff or class member in any purported class, collective, representative, multiple plaintiffs, or similar proceeding ("Class Action"). The parties expressly waive any ability to maintain any Class Action in any forum. The arbitrator shall not have authority to combine or aggregate similar claims or conduct any Class Action nor make an award to any person or entity not a party to the arbitration. Any claim that all or part of this Class Action Waiver is unenforceable, unconscionable, void, or voidable may be determined only by a court of competent jurisdiction and not by an arbitrator. **THE PARTIES UNDERSTAND THAT THEY WOULD HAVE HAD A RIGHT TO LITIGATE THROUGH A COURT, TO HAVE A JUDGE OR JURY DECIDE THEIR CASE AND TO PARTY TO A CLASS OR REPRESENTATIVE ACTION, HOWEVER, THEY UNDERSTAND AND CHOOSE TO HAVE ANY CLAIMS DECIDED INDIVIDUALLY, THROUGH ARBITRATION.**

This agreement to arbitrate constitutes the entire and complete understanding and agreement between the parties as relates to dispute resolution, and it supersedes all prior and contemporaneous agreements and understandings of the parties regarding dispute resolution. No modifications or amendments to this agreement to arbitrate are effective unless in writing and signed by both parties.
